

Video and Multimedia Products

VITAC, a WordWave company, is the nation's leading provider of captioning and multi-language subtitling services. In business since 1986, VITAC provides top-quality accessibility solutions for broadcast networks, cable TV, home video, DVD, government programs, teleconferences and Internet programs worldwide. CBS, CNN, NBC, FOX, Discovery, Lifetime, Verizon, and the Federal Aviation Administration are among the company's largest clients. WordWave is a privately held, global provider of litigation support, captioning and subtitling, and digital recording and transcription services. WordWave simplifies and expedites information capture for the top law firms, media and entertainment companies, businesses, and public sector organizations. For more information about VITAC or WordWave, visit <http://www.vitac.com> or <http://wordwave.com>.
